## President's Message

As July begins we have over 1500 players registered for Kanata hockey this fall. You'd think that now the work begins but in fact for the past 2 months dozens and dozens of volunteers have been putting in the time to register the kids (returning players, transferring players, new players!), find the officials, discuss the programs for skaters and goalies, interview the coach candidates, inform and remind the membership of this, that and the other thing, plan the tryouts and sortouts, and attend lots and lots of meetings for all of the above and more. So there is lots happening and it should be another exciting and fun season on and off the ice for our kids.

We expect to see another 100 or so registrations but we expect that it will fill up. We hope to see another 40 players in IP and we still have room at all levels though it is getting close to capacity at a couple of age groups. The registration numbers for goalies are always a concern and if we don't have enough goalies at a particular level we may have to cut off the skater registration (it's tough to have a team but no goalie!).

Thank you to the players and parents that came out to help with the July 2nd Canada Day in Kanata clean-up, that was a great community effort, we had the park looking terrific in record time!

Enjoy your summer and see you soon enough at the rinks!

Thank you!

Thanks to all the players and parents who came out and helped with the Canada Day in Kanata Clean-up. We are very appreciative to everyone who braved the heat and gave up a few hours to give back to our wonderful community!

Thank you also to the Canada Day in Kanata organizers for inviting us to be a part of the clean-up again this year!
