

Erin has been involved with Kanata Minor Hockey as a committee member for the past 6 years on multiple levels with lots of experience in many different areas of KMHA that are very pertinent to the role of VP of Hockey Operations.

These roles include; team manager, convenor for 3 years (which included 1 year as a non-parent convenor), League Rep for the A/AA divisions for KMHA, equipment manager for the past 2 years, and the registrar IP-Atom Divisions.

She has a great all-around understanding of all operations of a minor hockey association.

Erin has also been on the Board of Directors for a condominium, and has been chosen to be part of many special team projects at work which include Auditing teams, Health and Safety, Social Committee and Employee Mentor.

Erin has also been part owner and managed a football team in the Ottawa area. Erin is very pleased to put her name forward for the position of VP Operations, she has a very strong background in all aspects and roles in KMHA, and she believes her background in sports and her strong values, align with the mission and goals of KMHA.

Erin truly believes in the impact on youth that are involved in sports, being part of a team, the sense of community, all positive benefits for our young hockey players. She understands the needs of the parents, players, coaches and the association because of all the roles she has had within KMHA this has given her the unique opportunity to listen and understand the issues facing everyone during a season of hockey.

Erin would love to be part of the Board of Directors for KMHA and contribute to such a great sport.
