

I am running for the position of Director at Large, Risk and Safety. I have been a member of KMHA since 2010 with my son playing in both the house and competitive league. Over the years I have volunteered in various capacities that include manager, assistant-trainer and social committee. In the 2018/2019 season I volunteered directly with the league as a committee member on the Risk and Safety team.

KMHA has been a huge part of our family and I would like the opportunity to continue giving back. As Director at Large for Risk and Safety, I pledge to be committed to our members by maintaining a risk, safety and conduct management environment that promotes and maintains the best interest of all families.
