Who is insured?

The only people who are covered by the National insurance program are those individuals registered as Hockey Canada participants (players, officials, coaches, trainers, named volunteers and staff). A facility or individual may be added to the policy as “additional insured” for a specified event, and that event only.

Even though an event may be sanctioned, not all parties are necessarily insured. For instance, parents may be participating in a fundraiser, but not in a capacity that grants coverage. In such cases, additional coverage may be purchased from a local broker for a special event.

There are also circumstances where an event falls outside the scope of the insurance policy or the guidelines established by Hockey Canada and the Ottawa District Hockey Association and as a result there is no coverage afforded to any participants. When this situation arises and event organizers intend to proceed with the event they must indicate to the participants in some reasonable way that the event is not covered by Hockey Canada insurance.
