

Kanata U16 AA (2021-2022)

My name is Jason Bosomworth and I am pleased to have the opportunity to be the head coach of the U16 AA team for the 2021-2022 season. I have coached hockey for 15 seasons, for all age levels from IP to U18.

My desire is to have a team that is filled with players that:

- want to play for each other and take enjoyment in team success
- want to push to improve and are willing to put in the effort/focus required
- really love playing hockey and competing

My main goal is to provide the tools, environment, and opportunity for all players to improve and play with confidence.

The time commitment for all players and parents is significant. You can expect an average of 4 team functions per week, comprised of games, practices, and off ice activities. The expectation for players is to make these hockey functions a priority in their activity schedule.

We expect to enter 3-4 tournaments, with two of those tournaments out of town.

There is also a significant financial commitment, as each player will be required to pay a team fee of approximately \$1500 for the year (on top of the KMHA registration and tryout fees).

The dates and times for the tryouts will be posted on the KMHA website (<http://kmha.ca/>) later this summer.

During tryouts I will look for players that make the other players around them better. This will be evident in the best combination of hockey sense, hockey skills, competitiveness, attitude, leadership, and coach-ability.

Should anyone have any questions regarding the U16 AA team for the upcoming season, please contact me at j_bosomworth@hotmail.com.
