KMHA TOPSHELF

Kanata Minor Hockey Newsletter

Issue No. 15

President's Message:

As we approach playoff time, I would like to take this moment to thank all the volunteers for the countless hours spent making this season a success, as a result of your dedication and commitment many players and their families have had a fantastic hockey experience and you deserve a tone of credit.

To all the volunteers, Thank You!

Hockey Canada has implemented a new Half Ice program for Novice aged players starting next season, we will be holding an information session for parents of that age group in February and welcome everyone to attend.

Best of luck to everyone in the playoffs and I look forward to see you in the rinks!

Ralph Peterson

In an effort to continue to evaluate and improve our hockey programs we would like each family to complete the survey. Your responses will remain completely confidential. Coaches will be given general feedback of the results.
