 - [Ages 11-14](#)
 - [Ages 15 and Up](#)

WHAT IS ROWAN'S LAW

In May 2013, 17-year-old Rowan Stringer died as a result of a head injury she sustained while playing rugby with her high school team. In the week prior to her final game, Rowan had been hit twice, and likely sustained a concussion each time. These concussions were not recognized, and she continued to play. When she was hit again in her last game, she suffered what is known as Second Impact Syndrome – catastrophic swelling of the brain caused by a second injury that occurs before a previous injury has healed. Rowan collapsed on the field and died four days later in hospital.

A coroner's inquest was convened in 2015 to look into the circumstances of Rowan's death. The coroner's jury made 49 recommendations for how the federal government, as well as Ontario's government ministries, school boards and sports organizations, should improve the manner in which concussions are managed in this province.

KMHA is committed to creating awareness about concussion and enforcing the rules as set out by the legislation, so please note that coaches/participants/coaches/bench staff/volunteers will NOT be allowed on the ice during tryout/sort out/practice/game until a signed acknowledgement form is received by the organization

Rowan's Law Acknowledgement Form

The Ontario Government has enacted Rowan's Law (Concussion Safety), 2018, S.O. 2018, c. 1 ("Act"). Ontario Regulation 161/19, the Act requires all sport organizations as defined in the Regulation ("Sports Organization"), which includes Hockey Eastern Ontario ("HEO"), to have a Concussion Code of Conduct. This Concussion Code of Conduct must require participants, as set out in the Act, to review the Ontario Government's issued Concussion Awareness Resources on an annual basis. A participant is subject to a Concussion Code of Conduct for each Sports Organization a participant registers with. The HEO Code of Conduct is located at <http://www.hockeyeasternontario.ca/pages/admin/policies.htm> and the applicable age appropriate Concussion Awareness Resources are located at www.ontario.ca/concussions.

The HEO Concussion Code of Conduct and the appropriate Concussion Awareness Resources must be reviewed before you can register/participate in HEO.
