## President's Message

As we get into August we are working through the preparation for the hockey season and looking forward to the kids getting back on the ice. There are some challenges as with every new hockey season but we have a terrific group of volunteers working tirelessly to get everything in place. Volunteers keep KMHA running smoothly and we welcome extra help so please consider filling a role with your child's team, it is always a rewarding experience and connects you to the families in the association. Enjoy the last weeks of summer vacation and see you at the rinks really soon.

## House League Sort Outs

House League Sort Outs are set to begin in September. All times will be posted on our website [kmha.ca](http://kmha.ca) and will also be shared on social media. We encourage everyone to check their email inboxes as dates and information will be emailed to all families as well.

The start dates are as follows:

IP - Starting on Sept 1st

Novice - Starting on Sept 8th

Atom - Starting on Sept 8th

Peewee - Starting on Sept 9th

Bantam - Starting on Sept 9th

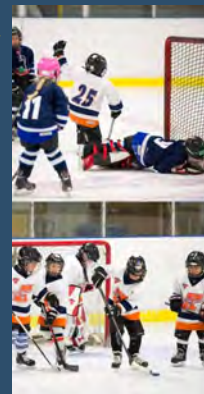

Midget - Starting Sept 18th

\*These dates are subject to change.\*

## IP PROGRAM

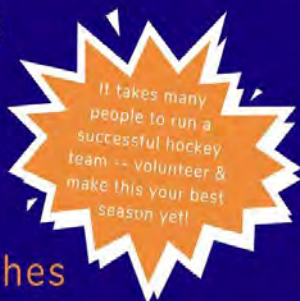

The IP program is a structured, learn-to-play hockey program designed to introduce beginners to the game's basic skills. It enables participants to become contributing members of a team effort, develop self-confidence, and experience a sense of personal achievement. These goals are achieved in an atmosphere of fun and fair play. The Hockey Canada Initiation Program is designed for players five and six years old, but is suitable for any entry-level hockey player and clearly lays out how to get them started in hockey so they will have fun, learn skills and develop confidence.

We still have spaces available in our IP program. Why not encourage a friend to join with you! To register please email [registrar@kmha.ca](mailto:registrar@kmha.ca).
