

Affiliation Rules

- a. All Competitive teams have to roster their affiliates. KMHA recommends rostering 2 goalies, 2 defense and 4 forwards. Only affiliates rostered to your team can play in league, tournament and exhibition games. House League continues in a Club System, this effectively means that all teams of a lower level are automatically affiliated to the teams
- b. Goalies can play an unlimited number of games as an affiliate. A player may only affiliate for a total of 15 league games (regular and playoff) per season. Tournament and exhibition are not counted as part of the total.
- c. A player whose regular team has exited playoffs may play past the 15 game limit. Please contact your respective Director of Competitive or House League Programs prior to playing any player for an 11th game for approval.
- d. Players may only affiliate to higher level teams. A goalie may affiliate to a team of the same level only under the terms of the emergency goalie rules. For House League permission may be granted by your Convenor. For tournament play this permission must be granted by the District 11 Chair.
- e. For House League only, a player affiliating to a higher age classification may play below his letter classification at the higher age level except for affiliating to the house "C". For example, a Peewee House League "A" player may affiliate to Bantam House League "B" but a Peewee House League "B" player may not affiliate to Bantam House League "C".
- f. House League players affiliating to competitive teams may only affiliate to the lowest level of competitive.
- g. **Minor competitive B teams affiliating house league players may only affiliate players** of minor age and only for league play.
