

Mandatory for all Team Staff for the 2020/21 Season

For the 2020-21 hockey season, all **coaches, trainers, team managers, instructors and referees** are required to complete the online course” **Planning a Safe Return to Hockey**”. The course is designed to help with the uncertainty around COVID-19 and start of the 2020-21 hockey season.

The course is free and takes around 20 minutes to complete. Development 1 and HP1 Certified Coaches will receive 1 Certification Maintenance point for completing the course.

Registration for the Course will take place through your eHockey account.

Click here to register and begin the online course <https://ehockey.hockeycanada.ca/ehockey/ClinicDetail.aspx?cid=131049>

Please be advised, this will be part of the mandatory requirements for you and your team staff in order to be added to any official team roster.
