CAUTION

Maintaining revision control of this document will be difficult as there can be numerous copies of this document in circulation. As a result, the KMHA office will maintain the official (most recent) version of the document. The official (most recent) version of the document will be posted on the KMHA website. The table below will track the various revisions.

1.0 INTRODUCTION

1. **Authority.** The Kanata Minor Hockey Association (KMHA) shall have the authority to make rules and regulations governing such matters as registration, procedures and fees, the administration of playoffs, the rules governing competition and playing of hockey and any other relevant matters, provided such rules and regulations are in no way repugnant to, or modify the By-laws and Governance of the KMHA. Proposed new rules and regulations or changes thereto shall be introduced at any meeting of the Board of Directors of the KMHA. Such proposed amendments shall require a simple majority vote of the Board members personally present to carry.
2. **Emergency.** In the event of an emergency situation that is a matter which is not covered by other rules and regulations, or where a lack of time does not permit normal provisions to apply, the President of the Association may take appropriate action consistent with the objectives of the KMHA. Such action shall be ratified at the next regularly scheduled meeting of the Board of Directors the KMHA.
3. **Confidentiality.** The KMHA will release information it has obtained regarding any player, volunteer, or official only on a “need to know” basis. All other requests for information will not be released unless a letter is received from the person it pertains to authorizing its release.
4. **Conflict of Interest.** Any member of the KMHA Board of Directors directly involved in an issue that requires a vote to be taken will not be allowed to vote.
5. **Policy Development and Changes.** KMHA Policy and Procedures Manual will undergo review and assessment annually or as required.
6. **Manual Precedence.** This manual supersedes all previous polices. Where other information may contradict (KMHA Website) the Policy and Procedure manual shall take precedence. If information is similar but different between this manual and other directive, please consult with KMHA for clarification. In the end – if all else fails, please use common sense. This manual is meant to assist and not impede your ability to operate within KMHA.

Branches and Associations

Hockey Canada administers hockey through 13 Hockey Branches, located in every province. In Ontario, due to our large numbers, there are 3 separate Branches: Hockey Northwestern Ontario (HNO), the Ontario Hockey Federation (OHF), and Hockey Eastern Ontario (HEO).

Within each Branch, there are one or more Minor Hockey organizations. In Hockey Eastern Ontario, there is one, called Hockey Eastern Ontario Minor (HEO Minor). The HEO

Minor itself is subdivided into 10 Districts, of which Kanata is one. Each District is under the responsibility of a District Chair, who ensures that their District abides by the Rules and Regulations of all of the governing bodies. Each month, the HEO Minor Executive, all 10 District Chairs, and representatives from the various Leagues and Hockey Eastern Ontario meet to discuss issues and plans for minor hockey in Ottawa.

More details on the Districts, the HEO Minor and Hockey Eastern Ontario can be found by visiting the <http://www.heominor.ca/>

The following is a descriptive delineation in ascending order (lowest to highest) of the minor hockey affiliations to which KMHA (including membership) is a member of and abides by where applicable, the governing rules, regulations, directives, and policies:

- a) **Kanata Minor Hockey Association (KMHA).** KMHA is the local minor hockey association in Kanata. It operates under the rules and regulations of Hockey Canada, HEO, HEO Minor and District 11. KMHA runs and supports House League, Competitive B and, with District 11, Competitive A/AA programs. Our Mission is to arrange and nurture the development of players, select coaches and players for our teams, set registration fees, host tournaments, and lots more. KMHA holds an annual general meeting to vote in the Directors of the Corporation.
- b) **District 11 (HEO Minor).** The KMHA is the sole association within District 11. District 11 is the link between the KMHA, HEO and HEO Minor structures. Most interpretation and enforcement of HEO and HEO Minor regulations happens at the District level.
- c) **Hockey Eastern Ontario Minor (Formerly Ottawa District Minor Hockey Association (HEO)).** HEO Minor is a voluntary association of members and individuals established to promote and foster hockey through fair play. It strives to maintain and increase interest in the game of hockey by insuring that all organized amateur hockey is developed within the Hockey Eastern Ontario Branch (HEO) (hereinafter referred to as the Branch) in accordance to prescribed standards. HEO Minor shall have jurisdiction over all minor ice hockey of the various Minor Divisions as defined by Hockey Canada.
- d) **Hockey Eastern Ontario (HEO).** Hockey Eastern Ontario is one of the thirteen Branches of Hockey Canada, along with the Ontario Hockey Federation and Hockey Northwestern Ontario, is one of the three branches in Ontario. Formerly known as the Ottawa District Hockey Association, Hockey Eastern Ontario is the governing body of amateur hockey in Eastern Ontario
- e) **Hockey Canada (HC).** Formerly known as the Canadian Hockey Association (CHA), Hockey Canada is the sole governing body for amateur hockey in Canada. Hockey Canada makes major decisions such as player divisions (age). It has 13 branches, including Hockey Eastern Ontario.

2.3 KMHA CORPORATION

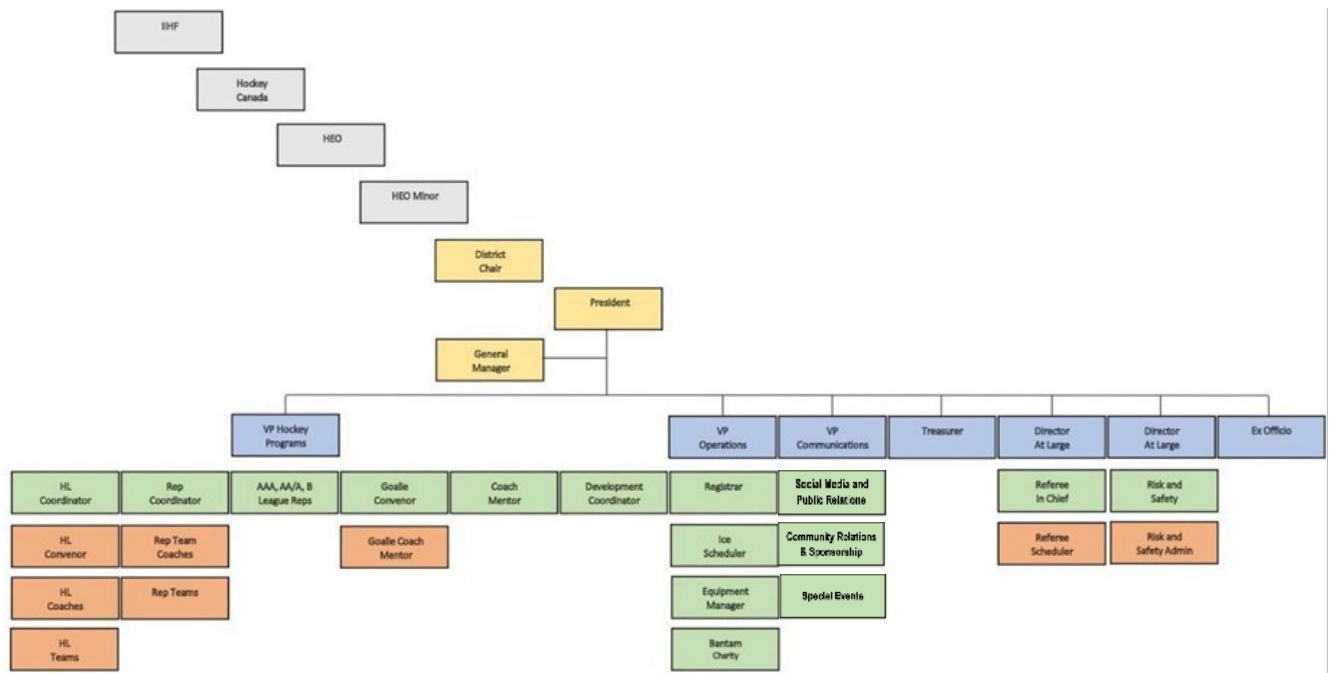

- a) **KMHA Mission Statement.** The Mission of the KMHA is to:
 - Maintain and increase interest in the game of hockey by providing to all who desire, where it has in its power to do so, the opportunity to participate in hockey giving due consideration to their individual capabilities;

- Exercise a general supervision and direction over its players, teams, members and game Officials with emphasis on the enhancement of healthy recreation, good sportsmanship and citizenship; and
- Provide, wherever possible, a hockey program, including an Initiation Program as prescribed by Hockey Canada, giving due consideration to all divisions and categories of minor hockey.

b) **Board of Directors and Committee Members.** In accordance with KMHA By-laws and Governance section 5 <https://kmha.ca/wp-content/uploads/2019/06/KHMA-By-Laws-v.3- Revised-May-22-2019.pdf> KMHA has 7 elected Directors and 1 past-president who is ex- officio and non-voting. All directors are volunteers who agree to serve for a term of 1 year. The KMHA Directors are responsible for ensuring that the association’s affairs are conducted in accordance with the KMHA’s KMHA By- laws and Governance and bylaws as well as the associations’ policies, which are outlined in the Policy and Procedure manual. The KMHA Board of Directors has the authority to rescind, alter or add to the association’s policies at any time.

The KMHA is responsible for ensuring that the association’s affairs are conducted in accordance with the KMHA By-laws and Governance as well as the associations’ policies, which are outlined in the attached document. The KMHA’s policies and procedures shall be in compliance with the minimum requirements of all applicable HEO, HEO Minor or Hockey Canada policies.

3.0 KMHA HOCKEY OPERATIONS

3.1 KMHA HOCKEY OPERATIONS & REGISTRATION

KMHA Hockey operations deals with all aspects required to manage and administer KMHA operations including but not limited to; registration, administration, ice scheduling and equipment.

Registration

- a) **Fees.** Registration fees will be determined by the Board of Directors in the month of May of each year. Upon registering your player, you will also be acknowledging that team fees above and beyond registration fees will be due, in the scheduled time which the coach has set out at the start of the season. Team fees for Rep team between \$0-3000, House league between 0-\$350 max. If team fees are not paid in full at the scheduled pay date, KMHA reserves the right to suspend all activities of said player until team fees are paid in full.
- **Late fees.** After June 30th a late fee for registration will apply with no exceptions
 - **Cancellations.** Any cancellation of registration will be subject to an administration fee, please refer to the refund policy below.

IP program consists of the ages 4-6 year old's.

b) Refunds. All refunds will be subject to a \$75.00 administration fee with the only exceptions being AAA players and junior players.

- Competitive tryouts can be refunded up to August 10th on any year. To request a tryout refund, email your request, along with your players name to info@kmha.ca
- All refunds will be credited to the credit card used for registration.
- Refunds will be calculated based on the date of the request email, received by the Registrar or KMHA office.
- Pro-rated refunds & cut-off dates:
 - September 30th - Full refund less \$75.00 admin fee. No refunds for tryouts after August 10th.
 - October 1st – November 15th: Refund of \$360 less a \$75.00 administration fee for a total refund of \$285.00
 - November 15th – January 1st: Refund of \$300 less a \$75.00 administration fee for a total refund of \$225.00
 - January 1st: No refunds will be issued.
- There will be no partial refunds due to injury. If a player misses weeks or months due to injury and does not withdraw, there is no partial refund of team fees or registration fees due to time missed.

Tryouts

- a) No tryouts will be added on or after August 10th of each hockey year.
- b) KMHA reserves the right to put an emergency call for players to be added to a tryout list after the August 10th deadline, due to low enrollment
- c) **Cancellations.** Tryout fees can be refunded up until August 10th

Financial Assistance Program.

- a) Financial assistance is available to potential registering members of the KMHA who would not otherwise be able to afford the KMHA registration fee and whose families would suffer undue hardship.
- b) Financial assistance is available only for house league registrants.
- c) Potential registrants who require financial assistance must complete an application available on the KMHA website and submit along with certain financial documentation to support their application for review and approval.
- d) All subsidy applications must be received no later than June 30th with final and review and approval to be completed no later than July 31st.

Wait Lists. Waits lists vary from year to year. The following applies:

- a) Due to the number of players wishing to enroll with the KMHA and the limited hours of ice available only returning players registering by June 15th will be guaranteed a place with the KMHA.
- b) After June 15th, all registrants will be accepted on a first come, first served basis. Limits to registration have been set for each age division. Once the limits have been reached registrants will be placed on a waiting list;
- c) Waitlisted registrants will only be accepted once there is a vacancy in the appropriate age division; and
- d) The KMHA advertises on the KMHA Website in May all registration information details. It is up to the parents to keep themselves informed regarding registration dates.

External Movements/Player Transfers

- a) **New Players.** New players are those who have not played with Kanata Minor Hockey the previous year. All new players must register in person during one of the scheduled in-person sessions. If it is not possible to attend an in-person registration session, please contact the Registrar directly to make other arrangements.
- b) **What to bring for registration:**
 - Proof of Kanata residence (rental or purchase agreement/utility bill) – Please note, a cell phone bill is not considered proof of residence
 - Proof of age (birth certificate/passport) for the player you wish to register
 - Credit card (Visa or MasterCard) prepayment
 - Registration forms will be available at the in-person session to be completed. If you will not be attending either session, please contact the Registrar to obtain one.
 - Registration will not be accepted unless ALL documentation is presented at the time of registration.
- c) KMHA will look at the yearly transfers for house league in to Kanata in September of each season.

3.2 ICE SCHEDULING & EQUIPMENT

Ice Scheduling/Scheduler. The position of KMHA Ice Scheduler is probably the most fiscally demanding position within the KMHA volunteer cadre. Ice scheduling for all KMHA teams in over 15 immediate area arena's and ice pads is very demanding task. Requests for Ice schedule changes should only be as a last resort or due to a significant event. As such the ice scheduler is responsible for the following:

- a) Plan, organize and manage all matters relating to the procurement and disposition of ice time to support the KMHA Hockey program;
- b) Take direction from and report to the President and Vice President Hockey Operations;
- c) Plan and submit an overall plan on ice scheduling to the President and Vice President of Hockey Operations;
- d) Procure ice time in accordance with the Hockey Programs Committee decisions;
- e) In conjunction with the President, represent the KMHA in all negotiations with the City of Ottawa, Carleton University, RA Center and Bell Sensplex officials related to the procurement of ice time;
- f) Distribute ice time for all practices, league games, tournaments and all other ice activities approved by the Hockey Programs;
- g) Coordinate the sale of extra ice through the KMHA Ice for Sale Website.
 - Abuse of the KMHA Ice for Sale Website will result in suspension from purchasing ice through the website.
 - Abuse may consist of purchasing an unreasonable number of blocks of ice times and or purchasing ice and asking to return it multiple times; and
 - Ice issued to any KMHA team cannot be sold by the team, if for any reason the team is unable to attend KMHA issued ice, the ice time is therefore forfeited. Any KMHA ice is property of KMHA and cannot be sold to a 3rd party.
- h) Provide regular status reports on ice allocation and usage to the President and Vice President of Hockey Programs.

KMHA Jersey Policy

1. Purpose

Kanata Minor Hockey Association (KMHA) provides jerseys for players within the association each season. This policy outlines the expectations for distribution, care, and collection of the jerseys each season for the jerseys to have long lasting wear so that players can continue to wear the jerseys with pride each upcoming season.

2. Authority

This policy has been adopted by the Kanata Minor Hockey Association (KMHA) Board of Directors which has, through the VP Hockey Operations, delegated the authority for the application of this policy to the KMHA Equipment Manager.

3. Jersey Distribution and Name Bars/ crests

- 3.1. The head coach will be provided a set of home and away jerseys, each set in a jersey bag. The sets will include a sufficient number of jerseys for each player. Please note specific jersey numbers/sizes cannot be requested for specific players. An assortment of sizes is given to each team to ensure fit for all players.
- 3.2. Name bars, sponsor crests, Captain C & As can be added to jerseys by hand sewing with a loose stitch only. No machine sewing, glue or adhesive is permitted as this affects the longevity of the jerseys.

4. Jersey Care

- 4.1. Players are responsible to wash and care for their assigned jerseys. Jersey cleaning should always be done in cold water as hot water affects the integrity of the jerseys. For drying please use low heat or hang to dry.
- 4.2. With the exception of U7, KMHA issued jerseys are not to be worn during practices, or at any other time, other than game situations. Exceptions for special events such as fundraisers, Ottawa Senators minor hockey night, will be considered on a case by case basis and should be flagged to the Equipment Manager before use in these cases.
- 4.3. It is recommended that garment bags be used by each player. This helps prolong the integrity and longevity of the jerseys. Jerseys kept in hockey bags with worn hockey gear and skates are at risk for mould, mildew, discolouration and cuts.

5. Jersey Collection

- 5.1. Upon conclusion of the season, players are to carefully remove names bars, sponsor crests, Captain C & As, launder the jerseys and provide the jerseys to the Head Coach / Team Manager by the date requested.
- 5.2. Head Coach / Team Manager is to provide a complete set of both home and away jerseys on wire hangers in the respective jersey bag to the Equipment Manager.

6. Missing / Non-returned Jerseys

- 6.1. For any jersey(s) not returned at the end of a hockey season, the player will be charged \$55 per jersey (house) or \$90 (rep) per jersey. A player will be unable to register for the upcoming hockey season until these fees have been paid.

7. Damaged Jerseys

7.1. Unusable jerseys

All jerseys deemed unusable due to following damage will be billed in full (\$55 for house and \$90 for rep) regardless of the age of the jerseys. A player will be unable to register for the upcoming hockey season until these fees have been paid.

- Mould
- Glue / adhesive remaining on the jerseys
- Holes larger than 1cm on the name bar area or the upper left chest area from Captain C's and As.

7.2. Repairable jerseys

7.2.1. If a parent, manager or coach discovers damage to a jersey, they have the option to repair the damage before returning it to the Equipment Manager.

7.2.2. If during the inspection of the jerseys by the Equipment Manager, damage is discovered, the player will have the option to pick up and repair the jersey within two weeks of being notified by the Equipment Manager.

7.2.3. If holes (other than those outlined in Section 7.1) are repaired professionally, using appropriate stitching and matching coloured thread, it will be accepted. Damages repaired using glue or adhesive will not be accepted.

7.2.4. Any damage repaired not meeting the specifications outlined in 7.2.3 will not be accepted.

7.2.5. With the exception of damage as outlined in 7.1, the player can opt to pay a repair fee. The fee will be based on the damage incurred (minimum charge is \$15) and the Equipment Manager will have the jersey repaired.

7.2.6. If the jersey is not picked up and repaired as outlined in Section 7.2.3 within two weeks of being notified by the Equipment Manager, the player will be unable to register for the next season until the repair fee is paid.

8. General Wear and Tear, Exceptional Damage

8.1. Tears, cuts, burns, glue adhesive, mould, rips etc. are not considered normal wear and tear.

8.2. Puck marks, pilling and small hitches from equipment Velcro, and small thread pulls are considered normal wear and tear, resulting from the game of hockey.

8.3. If a jersey has to be removed from a player for medical reasons, the player will not be charged.

8.4. If a jersey is damaged from faulty rink facilities and the Equipment Manager is notified **as soon as** the damage occurs, the player will not be charged. The Equipment Manager shall notify KMHA Risk and Safety of damage reported under this clause so that a follow up can occur with the facility.

4.0 KMHA HOCKEY PROGRAMS

4.1 COMPETITIVE PROGRAMS

Coaching Certification.

- a) Head Coach Certification requirements click on the following link:
<http://www.hockeyeasternontario.ca/pages/coach/coachcert.php>

Having attended and completed a different course does not preclude anyone from having to have the REQUIRED course. The courses are set up to teach the coach the required information to coach athletes at the different levels of their growth and development. None of these courses are higher levels of certification; they are simply different areas of knowledge.

- b) for Assistant Coach Certification requirements click on the following link:
<http://www.hockeyeasternontario.ca/pages/coach/coachcert.php>

Competitive Coach Selection process.

- a) All prospective coaches must submit an application to the General Manager prior to the deadline established for that season.
- b) The Rep Coach Coordinator and selection committee will review applications and will contact candidates that have been selected for an interview.
- c) Candidates should be aware that, if they are the only candidates for a specific team, this does not guarantee them the position.
- d) The coach selection committee shall include the Rep Coach Coordinator and at least three other members chosen by the Rep Coach Coordinator and approved by the VP Hockey Programs.
- e) No coaching applicant maybe part of the selection committee for applicants for the age level at which their child is trying out.
- f) The coach selection committee will establish the selection framework.
- g) Recommendations from the coach selection committee will be presented to the President and VP Hockey Programs for final approval.

Competitive Tryout Process. All players wishing to participate on a competitive team will take part in the tryout process. In case of injury see Paragraph f.

- a) Head Coaches will select a minimum of 3 evaluators to assist them in team selection. No evaluators with a player trying out for the team are allowed. The association reserves the right to place an evaluator of their choosing into any tryout.
- b) The Head Coach makes final decisions with evaluators on which players are selected.
- c) All players will be assessed for a minimum of 2 hours total across all levels during the tryout process.

- d) Head Coaches will clearly inform parents of their player release process prior to the first tryout session. The first wave of player releases will be done in person, by direct telephone call or by e-mail. Head coaches are encouraged to be supportive and positive during the release process but shall not forecast the success of the player as it pertains to subsequent tryouts or the affiliation process.
- e) Head coaches are encouraged to be supportive and positive during the release process but shall not forecast the success of the player as it pertains to subsequent tryouts or the affiliation process.
- f) Players may only register to try out for the available teams at their age level. Age advancement will only be considered in situations where the Blazers program requires more players than may be available in a specific age group.
- g) Injury/Illness affecting tryouts
 - This policy relates to the handling of situations where, because of injury, a player is unable to participate in tryouts according to the schedule. This policy covers injuries incurred by players prior to the start of tryouts, as well as injuries incurred during the tryout period.
 - In all cases a doctor's note must be provided to the Rep Coach Coordinator as evidence that the player cannot participate in team tryouts. In addition, the nature of the injury and the expected return date of the player are required.
 - To determine the subsequent status of the returning player, the Coordinator will consult with a variety of sources to obtain sufficient information about the player so that a reasoned decision can be made that considers both what is best for the player as well as the affected team or teams. The sources may include, but not be limited to, the player's previous coaches, the current coach of the team the player wishes to join and any other appropriate source deemed relevant by the Director of Competitive Programs.
- h) Sibling/Twin Policy.
 - At both the competitive divisions and house divisions where siblings/twins wish to play together, they will be placed in the level afforded by the lower evaluated sibling.

Competitive Coach Pre-Season Policy.

- a) Competitive coaches are to personally book all referees and tournament advances. This task cannot be delegated to any other person who has not been selected by KMHA to be a Head Coach.
- b) No other person other than the Head Coach as defined as the person selected to Coach his respective level by the Competitive Coach Selection committee.
- c) Failure to do so puts the process of transparency at risk and disciplinary action will be taken.

Competitive Fair Ice program. KMHA subscribes to a Fair Ice Policy for all players. It is the coaching staff's responsibility to ensure that all players receive "fair ice time", however this does not mean "equal ice time".

- a) Ice time for all players will balance-out over the course of the season. All players will be taught and used on power play, even-strength and penalty killing opportunities. The goal is to develop the ability of all players to play in all situations.
- b) This policy allows “shortening the bench” during the last three minutes of a game and in key situations that could impact placement in the standings, extend participation in a tournament or extend life in the playoffs.
- c) It is our strong preference to establish and ‘roll’ three forward lines, three sets of defence and two goaltenders.
- d) Notwithstanding the above, coaches may reserve the option to ‘bench’ players for disciplinary reasons at any point.

Competitive Transfers. Barring exceptional circumstances KMHA will not permit players from outside of District 11 to register/play with District 11 competitive teams. Should a player not be selected for a KMHA team after trying out and that player wishes to tryout with another organization then the current HEO Minor transfer policy shall be followed. KMHA reserves the right to invite players from other districts to tryout, if there are less than 18 players or 1 goalie registered for a given team.

Competitive Team Format.

- a) All Competitive teams will consist of 17 players.
- b) If the Head Coach feels it is warranted, they may carry additional skaters at the U15 and U18t levels with approval from the Rep Coach Coordinator and VP Hockey Programs.

Competitive Blazers Dress Code.

- a) Off Ice:
 - All competitive teams have the option to wear KMHA tracksuits pre/post game, or Shirt & Tie with proper pants”. The dress code option will be decided by the head coach and adhere to the minimum standard for HEO.
 - Details as to the official supplier of team wear will be made available at the beginning of each season.
 - OEMHL Rule 3-j, DRESS CODE:
 - All “AA” & “A” league associations’ players & coaches must adhere to a dress code. This can consist of an association dress code already in place. If the association does not have a mandatory dress code, the League will impose a mandatory dress code for the teams under its jurisdiction. This code will be in effect for all league functions when representing the ODMHA Ontario East/Est “AA” & “A” League including out of Branch Tournaments. “AA” & “A” events are subject to a mandatory dress code at all times
- b) On ice:
 - All Blazers players will wear the provided Blazers jersey with coordinating socks.

- White sweaters and socks for home games, orange sweaters and sock for away games.

4.2 HOUSE PROGRAMS

House League programs overview.

Hockey is a sport like all others designed for the pleasure of the player. Our house league programs are designed to give players a chance to make hockey what they want it to be, whether to concentrate and work hard to get to the next level or to have fun and make new friends.

U9 Player Pathway

Hockey Canada has approved national policies that mandate all U9 aged players receive age-appropriate programming on half-ice surfaces effective for the 2019-20 season. This mandate will see U9 game play in HEO move to a half ice format for the start of the 2019-20 season.

In response to this new mandate, and the changes it required, Hockey Eastern Ontario created a U9 Task Group with representatives from HEO, HEO Minor, Districts, MHAs and Officiating. The role of the task group was to develop a Branch plan and strategy for the implementation of this policy mandate.

[U9 Player Pathway and General Rules](#)

** New ** [Read Revised U9 Pathway Policy here](#) – updated June 6, 2022

General Playing Rules

- The rules for half-ice U9 game play focus on player development by maximizing opportunities to touch the puck, interact with other players, and make plays.
- 4 vs 4 player format and one goaltender for each team.
- Three-minute warm-up.
- Rink set-up: one set of barriers or two sets of barriers with a space in between for spare players.
- Game length – 50 minutes in total (46 minutes post warm-up). This may vary if Associations schedule multiple blocks of ice time.
- Two 23-minute halves.
- Shift length – 90 seconds in duration with an automatic buzzer or whistle sounding to indicate player change. The clock continues to run through the 23-minute half.
- Both games synchronized, and officials work together to ensure that happens.
- Players change on the fly at the buzzer or whistle.
- If there are fewer than four players on the bench, the active player designated to stay out for the following shift must tag up at the bench prior to continuing play.
- Two face-offs during the game.
- The first face-off will start the game.

- The second face-off will start the second half

Shifts

- Player shifts are 90 seconds in length. A buzzer or whistle sounds to signal line changes.
 - On the buzzer/whistle sounds, players must relinquish control of the puck immediately and vacate the ice. The new players enter the ice immediately.
 - Failure to immediately relinquish control of the puck or new players entering the ice surface prematurely may result in a penalty for the offending team.
 - Change of Possession
 - Goaltender freezes the puck – the official blows the whistle to indicate the attacking team backs off and defending team gets possession.
-
- Puck shot out of play – the offending team backs off and the official gives the non-offending team a new puck.

Officiating

- One official per game. Coaches/Trainers must remain on the bench.

Penalties

- Penalties shall be called in accordance with the Hockey Canada Officiating Program (HCOP) standard of play, within a learning environment where new officials are learning how to apply the rules.
- Minor penalties are noted with the official briefly raising their arm to indicate a penalty will be assessed. At the end of the shift, the official notifies the coach of the infraction and the number of the offending player.
- If the offending team controls the puck after the infraction, the official blows the whistle and calls for a change of possession; the non-offending team is given room to play the puck (three-metre cushion).
- The offending player will sit out the next shift, but the team will play even strength.
- Should an infraction occur that would normally require a player to be ejected from the game (game misconduct, gross misconduct or match penalty), the player will be removed from the remainder of that game. Even under these circumstances, teams will not play short handed.
- For major penalties assessed to players and bench staff, the HEO Minor Code of Discipline will apply.

Scoring

- Game scores will not be recorded. Game sheets may be used to capture major penalties to players or bench staff in-game.
- When the puck enters the goal, the official will blow the whistle and signal a goal, retrieve the puck from the net and allow the team that was scored on to take possession of the puck. The team that scored backs off 3 metres and gives the

player with the puck room to start the play.

Out-of-Branch Tournaments

- Teams will be permitted to participate in out-of-Branch tournaments (requiring travel permits) if the tournament games are played on half-ice.

-

U11 Player Pathway

<https://www.hockeyeasternontario.ca/media/sf0path5/6163-u11-player-pathway-policy.pdf>

House League player policy. To this end we at KMHA would like to remind you to keep the following in mind:

- Teams sometimes find themselves with shortfalls of players wishing to play defence. In these cases, teams will rotate all players through defense, this gives players the opportunity to try all positions and for coaches to identify and encourage players who are defensive minded to try the position either more or permanently.

House League Dress Code

KMHA-issued game jerseys must be worn for all tournament, exhibition, and interleague/interlock games. For intraleague (i.e., KMHA vs KMHA) games, team-sourced jerseys may be worn provided that a) the jerseys are numbered and match the game sheet; b) at the discretion of the referee, the jersey colours are sufficiently different to tell the home and away teams apart; and c) head coaches from both teams are in agreement. As a best practice, please inform your convenor should your team choose to wear team-sourced jerseys for intraleague games.

House League Coach Certification.

See here <http://www.hockeyeasternontario.ca/pages/coach/coachcert.php> –

House Coach Selection process. The Convenor will select head coaches for each level from the pool of applicants available and the decisions are based on a number of criteria, which may include feedback results from previous year coach surveys and impressions from written and/or verbal communications and interviews with the Convenor.

House League Tryout/Sort out Process. Player evaluations where possible independent and non-bias evaluators will be used without prior knowledge of the intent other than to fairly evaluate players.

Sibling/Twin Policy. Where siblings/twins wish to play together, they will be placed in the level afforded by the lower evaluated sibling.

House League Fair Ice program. KMHA has an equal ice time policy for all house league teams. This means that no player should intentionally get more or less ice time than another or be put on or kept off the ice in certain situations such as a power play or a key moment late in the game. KMHA believes that all players deserve an equal opportunity to contribute at all times of the game and for equal lengths of time, and that while “shortening the bench” may help a team have a better chance to win, the harm to a child’s confidence lasts much longer than the temporary satisfaction of winning the game. No matter what the situation may be, the coach is instructed to roll the next line or next player, no exceptions.

4.3 AFFILIATION POLICY AND PROCESS

Affiliation Rules as Mandated by Hockey Canada

Hockey Canada has mandated that the 19-player Special Affiliation method is the only acceptable way of documenting affiliations.

- Each team is permitted to sign up to 19 players as affiliates, two of which must be goaltenders.
- Affiliates may only be used by one (1) team.
- Affiliates **MUST** appear on your official team roster before they can be used in a game.
- The use of an undocumented affiliate in a game will result in the Head Coach being suspended for the use of an ineligible player
- No player is permitted to be part of more than one (1) affiliated players list in a particular category at any given time during the season. For example, U13 and U15 are two separate categories. This means that a House U13 B goalie can affiliate to a U13 House A team AND a U15 House B team.
- The deadline for adding affiliates to any roster is Feb 15th of any given season.

General Affiliation Information

- The purpose of affiliation is to allow the higher category team the opportunity to ice the maximum allowable roster for every game.
- Affiliate players are the property of the lower category teams on which they have been registered. Each time the higher category team wishes to use a player, they must obtain permission of the Head Coach of the lower category team.
- **Skaters** may affiliate to a maximum of **fifteen (15) games** with each team. Only **regular season and playoff games count towards this total. Tournament and exhibition games do not count.**
- Goalies have no **limit on affiliated games. Sitting as back-up does not count as an affiliated game.**
- Teams and players will need to keep track of the number of affiliations for a player. Coaches may be advised when a player approaches the limit.
- Teams participating in out of Branch tournaments would be well-advised to verify the affiliation regulations of the Branch to which they are travelling.

REP AND HOUSE LEAGUE AFFILIATION POLICY AND PROCESS

What follows is the KMHA policy for affiliation within Rep and House League.

The KMHA supports affiliation as a means for players to develop their skills by playing for a higher-level team. The general rules for affiliating players are outlined in Hockey Canada Regulation E and HEO Minor Rules and Regulations, Section 8.0 and Appendix B.

- Skaters may affiliate “up” in age or category or in both age and category.

Example: A U13 B skater can affiliate to a U13 A team, or may affiliate to a U15 B or a U15 A team.

- Goaltenders are the exception to this policy, with prior approval by the Division Convenor
- For House League only, a player affiliating to a higher age classification may play below his letter classification at the higher age level except for affiliating to the house “C”. For example, a U13 House League “A” player may affiliate to a U15 House League “B” but a U13 House League “B” player may not affiliate to U15 House League “C”.
- House League players affiliating to competitive teams may only affiliate to the **lowest level of competitive.**
- Minor competitive B teams affiliating house league players may only affiliate players of minor age and only for league play.

- U7'S ARE NOT PERMITTED TO AFFILIATE UP A TIER

Failure to comply with this policy will result in sanctions

Process for Affiliation

Requesting an affiliate player to be added to your official team roster:

1-Best practice is to start of the season by choosing some players you would like to affiliate to your team and request they be added to your official team roster by sending the affiliates current team, full name, DOB and position to info@kmha.ca to request the player(s) be added to your roster. It is highly suggested you do this as soon as possible to avoid last minute crisis.

When you know you need to use an AP Player or Goalie

A. You must contact the coach of the affiliate's team to notify them you are requesting the player be added to your team's official roster as an affiliate.

B. You must request and receive permission to use the player from the parents.

C. Add your affiliate player to your team in TTM by following the below steps

Please note that a player cannot be affiliated to more than 1 team in an age division as per the above previously mentioned.

Creating and maintaining Team Affiliated Player List In TTM

TTM Log in <https://off-iceoffice.ca/>

1. Login to your team account
2. Under the Affiliation Reporting menu click Show Affiliated Players
3. Click Add Affiliated Player button
4. From the Eligible Player list, click the check box next to all players you want to affiliate
5. Click the Add Selected Affiliate Players button
6. Review list of Affiliated Players for your team and adjust if necessary.

Any players added to a team's affiliation list will no longer be listed as eligible for any other team. Affiliates for a team will appear in the team list when entering a suspension. If an affiliate is given a suspension their home team gets notified of the suspension.

Game Day Process for using an Affiliate Player

1. Process for game day use of an AP
 - a. Ensure the process above for requesting an affiliate has been completed.

- b. Prior to using the player in the game, you must contact the coach of the affiliate's team to notify them that you are requesting the player. This is to make the requesting coach aware of any issues or suspensions which may prevent them participating in a game.
- c. Affiliated players must be designated on the official game sheet by the symbol "AP" after their name on the player's line-up roster.
- d. After the game, the requesting Head Coach must notify the affiliate's regular coaching staff should injuries or suspensions occur.

5.0 KMHA FINANCES

5.1 FINANCE OVERVIEW & RESPONSIBILITIES

Management of KMHA financial matters and operations are pursuant to the KMHA By-laws and Governance and bylaws in accordance with SECTION 3 – Financial matters. Further details can be found at: <http://kmha.ca/wp-content/uploads/2018/05/KMHA-Bylaws-3.0-may-4-2018.pdf>

Team Financial responsibilities. The budget and finances of the team are the responsibility of the team officials and the parents. Specific responsibilities regarding team budgets include:

- The Coach and Team Officials are responsible for developing a team budget at the beginning of the season. The budget must be presented to parents for approval and reflect the coach's hockey program.
- The team Treasurer is responsible for tracking and controlling the financial transactions of the team. As per the Team Bank Account Policy, the treasurer must summarize actual results and compare them to the budget. Summary results must be presented to the parents for review on a regular basis.
- The Parents are responsible for approving the initial team budget and reviewing

the summary of actual results provided by the Treasurer. A majority of the parents must agree to the initial budget and subsequent adjustments. Any decisions regarding adjustments to the budget must undergo a secondary vote.

- The KMHA is responsible for setting policy regarding team budgets and providing direction to Coaches, Team Officials and Parents regarding application of the policy. For greater clarity, the KMHA does not directly manage the financial activity of the team. Any issues or discrepancies that may occur regarding team finances are not the responsibility of the KMHA.
- If a team has problems collecting team fees from a family, please contact the general manager at info@kmha.ca for assistance

5.2 HOUSE LEAGUE TEAM BUDGETS, FEES & EXPENSES

Team Fees and Total Budget Limits. House team fees charged to parents are limited to \$200 per player for IP teams and \$400 for U9 through U18 teams. The total budget for IP teams is limited to \$3,000 and \$6,500 for U9 through U18 teams with any difference from team fees collected to be fulfilled through fundraising. For greater clarity, these are not specified budgets but rather they are limits to ensure that playing hockey remains affordable for all team members. Coaches and team officials are directed by the KMHA to be mindful of the total cost being incurred by individual parents and should make all efforts to keep team costs and the team fees charged to the players to a minimum. In general, it is expected that total team budgets will be naturally lower for House C vs. House B vs. House A teams based on the requirements for extra ice or number of tournaments entered. For greater clarity, the purpose of fundraising sponsorship is not to allow additional expenses to be added to the budget or purchase non-essential items or clothing. Successful fundraising or lower spending should result in

a budget surplus, which is to be refunded to parents at the end of the season. Upon consensus from the parent group, small surpluses may be donated to charity to reduce the administration of refunding small amounts to parents.

Team Expenses. Expense items included in the budget should be focused on required items to operate the team, development of the players and creating a fun and positive atmosphere. Expenses will typically include:

- Tournament fees;
- Ice time and referees for exhibition games;
- Ice time for additional practices;
- Player development sessions such as power skating;
- Team bonding and off ice activities;
- Year-end party and gifts, trophies and awards – players only; and
- Team clothing item of nominal value (<\$25) such as a hat or practice jersey to build a sense of team

In order to ensure hockey remains an affordable activity for all, other expenses related to additional team social events and parties or team clothing and equipment such as tracksuits, socks, etc. should NOT be included in a team budget. Procurement of these items may be coordinated by a team official or parent but should be settled on a cash

basis with the player and his family and not transacted through the team account.

Budget Format. All Initial Team Budgets and Actual to Budget Summaries must be prepared using an Excel spreadsheet – see Budget Templates. The line items in the budget and summaries must be in sufficient detail to properly describe the nature of the income or expenses included. Supporting schedules providing further detail of the transactions or activity related to an item should be included where necessary.

Key Dates and Deliverables.

- Initial Budget approved by Parents no later than October 15th;
- Interim Actual vs. Budget Summary provided to Parents no later than January 31st;
- Final Actual vs. Budget Summary provided to Parents no later than April 30th; and
- Final budget settlement and bank account closure no later than May 31st.

Best Practices for Treasurers.

- Communicate budget status to parents regularly and often;
- Obtain parent approval prior to incurring significant unbudgeted expenditures;
- Record transaction activity as it occurs and retain supporting documentation;
- Ensure cash-based transactions are accompanied by receipts or a sign-off list;
- Ensure bank reconciliations are performed monthly;
- Follow up and escalate issues with delinquent fees early; and

-
- Document each parent acknowledged receipt of Initial Budget, Interim Summary Report and the Final Summary.

5.3 COMPETITIVE TEAM BUDGETS, FEES & EXPENSES

Team Fees. There are no total budget expense or team fee limits set for KMHA competitive teams. Coaches are directed by the KMHA to ensure when developing the budget, they should be mindful of the total cost being incurred by individual parents and should make all efforts to keep team costs and the team fees charged to the players to a minimum. Fundraising is encouraged to mitigate the amount of team fees charged to players. For greater clarity, the purpose of fundraising is not to allow additional expenses to be added to the budget. Successful fundraising or lower spending may result in a budget surplus, which is to be refunded to parents at the end of the season. Upon consensus from the parent group, small surpluses may be donated to charity to reduce the administration of refunding small amounts to parents.

None payment of team fees by a player

When registering your player, you are also acknowledging that team fees above and beyond registration fees will be due in the scheduled time which the coach has set out at the start of the season. Team fees for Rep team between \$0-3000(for example), House league between 0-\$400 max. If team fees are not paid in full at the scheduled pay date, KMHA reserves the right to suspend all activities of said player until team fees are paid in

full.

Managers, Coaches and team Treasurer are asked to contact info@kmha.ca for any non payment of team fees that is past the 30-day payment schedule outlined by the team.

Team Expenses. The total budgeted expenses for any particular team will reflect the program outlined by the Coach for the season and is influenced by several factors including additional ice time requirements, specific skill and player development or off-ice training activities and potentially bus transportation to tournaments. In addition, non-parent coaches are often assigned to competitive level teams and travel expenses for these coaches are included in that team's budget – see Non-Parent Coach Expense Policy.

- Expense items included in the budget should be focused on required items to operate the team such as tournament and league fees, ice costs, referees etc. and player skill development activities. Other items not directly related to team operations or player development such as team bonding activities should be kept to a minimum and focused on the player's only – not family members.
- Expenses related to team social events and parties and team clothing or equipment such as tracksuits, socks, hats etc. should NOT be included in a team budget. Procurement of these items may be coordinated by a team official or parent but should be settled on a cash basis with the player and his family and not transacted through the team account.

Budget Format. All Initial Team Budgets and Actual to Budget Summaries must be prepared using an Excel spreadsheet – see Budget Templates. The line items in the budget and summaries must be in sufficient detail to properly describe the nature of the income or expenses included. Supporting schedules providing further detail of the transactions or activity related to an item should be included where necessary.

Key Dates and Deliverables.

- Initial Budget approved by Parents no later than September 30th;
- Actual vs. Budget Summary #1 provided to Parents no later than November 30th;
- Actual vs. Budget Summary #2 provided to Parents no later than January 31st;
- Final Actual vs. Budget Summary provided to Parents no later than March 31st, or within 1 month of last ice time, whichever comes first; and
- Final budget settlement and bank account closure no later than May 31st.

Best Practices for Treasurers.

- Communicate budget status to parents regularly and often;
- Obtain parent approval prior to incurring significant unbudgeted expenditures;
- Record transaction activity as it occurs and retain supporting documentation;
- Ensure cash-based transactions are accompanied by receipts or a sign-off list;
- Ensure bank reconciliations are performed monthly;
- Follow up and escalate issues with delinquent fees early; and
- Document each parent acknowledged receipt of Initial Budget, Interim Summary Reports and the Final Summary.

5.4 NON-PARENT COACH EXPENSES

Competitive Non-Parent Coach Expenses. Competitive teams are to provide funds to reimburse up to three non-parent coaches expenses to travel to AA/A league games played outside the Ottawa city limits and to out-of-town tournaments. For greater clarity, there will be NO reimbursement of travel costs to B league games, games within the Ottawa city limits or team practices.

AA/A League Games. A flat rate of \$800 for the season should be paid in two installments - \$400 by September 30th and \$400 by January 1st to cover travel costs to AA/A league games for the entire non-parent coaching staff. The installments are to be paid to the Head Coach who is responsible to distribute funds to the other members of the coaching staff for reimbursement of expenses. To mitigate these costs coaches are expected to car pool where possible.

Out-of-town Tournaments. Teams will reimburse up to three non-parent coaches for travel expenses related to out-of-town tournaments. The following are expenses eligible for reimbursement at the rates specified:

- 15 cents per km to cover fuel costs if a personal vehicle used – limited to one vehicle as carpooling is expected, additional vehicles at coach's expense
- Hotel rooms for each night of the tournament booked at the same hotel and rates as the team – double occupancy (maximum of 2 rooms for three coaches or 1 room for two), additional rooms or nights at coaches' expense
- Per diem to cover meals of \$50 (\$10 breakfast, \$15 lunch, \$25 dinner)
- Coaches are limited to scheduling up to three out-of-town tournaments in a season for which expenses will be reimbursed – additional out-of-town tournaments will be at the coach's expense. Exceptions are made for additional events such as the Silver Stick or Provincial Championships whereby additional expense coverage will be required for the coaching staff.

Sample Budgets for Non-Parent Coach Expense.

Tournaments-	3 Coaches	1 Head Coach
	AA/A	B
Mileage – 1 car 800 km round trip	\$120	\$120
Hotel -3 nights @\$125	\$750	\$375
Meals – 3 days @\$50	\$450	\$150
Per tournament	\$1,320	\$645
3 tournaments	\$3,960	\$1,935
Add: League Games Flat Fee	\$800	-
	\$4,760	\$1,935

The distance to the tournament will impact the actual expenses incurred and the nights required e.g. Thursday required for an early Friday start or an early checkout on Saturday – the samples above assume a Thursday night requirement and playing through Sunday.

5.5 TEAM FINANCES & BANK ACCOUNTS

Team finances/Bank Account. All teams must open a team bank account to handle deposits, document transactions and control access to team funds. Team funds should never be handled through personal accounts of a coach, team official or parent. There must be a minimum of three signing officers for the account; these are typically the Manager, Treasurer and the Head Coach. The Head Coach is not required to be a signing officer. Another team official or parent may act as the third signing officer. No two signing officers may be from the same family. The Head Coach may be but is not required to be another team official or parent may fulfill a signing officer and this role. No two officers may be from the same family. Team bank accounts cannot be carried over year to year. Accounts must be opened and closed at the start and end of every hockey season.

Outstanding deposits and payments yet to be reflected in the bank account should be noted. The reconciliation should be reviewed and approved by the Manager or other team official or parent in conjunction with reviewing the status of funds received and expended compared to budget.

5.6 FUNDRAISING & SPONSORSHIP

Fundraising. KMHA Fundraising & Sponsorship Policies.

For fundraising activities, KMHA echoes the policies provided by Hockey Canada (See the Hockey Canada's Team Managers Manual here – www.hockeycanada.ca). Almost every team will have to raise funds throughout the season. As a team, it is important to discuss what set costs and what extra costs the team will face throughout the year (from officials' fees to a year-end celebrations). The Team Manager needs to ensure the team's goals are reasonable and that the team has the ability and dedication to perform the chosen fundraising initiative. A fundraising committee will often be formed to coordinate efforts. The team should be determining up front whether the fundraiser is a team event or on a per player basis and whether minimum participation levels are required/expected, etc.

*You may find a sponsorship template form here <http://KMHA.ca/team-staff/documents-and-forms/> simply fill in the pertinent information for your team.

Any Sponsorship cheque should be made **payable to the team**, not to KMHA

*We do not give out receipts for tax purposes, we are a non-profit organization, not a charity, your team can certainly issue a thank you in a word document with the amount the team was given, have it signed by the coach and team manager, but KMHA does not give out receipts for sponsorship.

*KMHA requests that you appropriately thank the sponsor, with a plaque or a card.

Individual Sponsorship Option

50% of all sponsorship funds shall be credited to the player as their personal contribution,

up to the amount of their budgeted team fee, with the remaining amount credited to the team's operating fund. All sponsors must have this sponsorship policy clearly communicated to them in advance so that they understand where their sponsorship dollars are being allocated. Cheques from sponsors are to be **made payable to the team, not to KMHA**

- a) The 50% portion that goes to the family that is bringing in the sponsor is OPTIONAL. There are cases where the sponsor will only provide the funds if 100% goes to the team. There are also cases where the family may not want to keep their 50%, or it could be a family member or business that is providing the sponsorship and keeping 50% doesn't make sense. So, the 50-50 is optional.
- b) Cheques still get made out to the team for the full amount of the sponsorship. The following example was provided and it makes sense to me: For example, if I secure a \$500 sponsorship and my team fees are \$1500, I would give the \$500 to the team (the sponsor would write a cheque to the team for that full amount) and my team fees are now \$1250, correct? I believe that is correct.
- c) This is for sponsorship only, this policy does not apply to fundraising

5.7 CLINIC REIMBURSEMENT

Clinic Reimbursement Policy.

6.0 KMHA RISK AND SAFETY

6.1 RISK AND SAFETY OVERVIEW

KMHA Risk & Safety. All personnel are responsible for managing risks in their areas. Parents and spectators will have a different view of risk to that of a player, coach or referee for example, but each has an important personal responsibility to ensure that risks within their control are managed according to the rules of the game and the standards expected.

What is Risk Management?

- a) Risk Management is using a structured risk management process to minimize reasonably foreseeable physical, financial or legal harm to people, disruption to operations and damage to the environment and property.
- b) The KMHA policy is to practice risk management to support and enhance activities in all areas of our organization and to ensure that risk management is an integral part of KMHA's decision-making process

What is Safety Management?

- a) Before and during your event, it is the all KMHA members' responsibility to monitor the playing area for any potential safety hazards.
- b) All involved with the on-ice portion of events should identify, minimize or eliminate all risks to make the playing area as safe as possible.

What is Conduct Management?

- a) It has been determined that improper conduct is detrimental to the development of players, coaches, officials and volunteers in minor hockey and can be directly linked to many quality participants exiting the game. Further to this point is the struggle that numerous local Associations encounter in dealing with improper behavior in a proper and timely fashion.
- b) To provide a conduct management program that plays a significant role in the development of a young person's values, morals, social maturity, physical fitness and mental fitness. To promote acceptable conduct this provides:
 - Respect for persons
 - Protection from harm
 - Development of ethical conduct towards others
 - Notions of justice, fairness, equity
 - Caring attitudes
 - Freedom to enjoy, to flourish
 - Respect for the game
- c) It is a must that every participant abides by these principles. A participant is defined as (but not limited to) a player, coach, official, or spectator. This program is not

intended to be a new process for complaints about officiating or general hockey rules. The objective is to promote and insure acceptable behavior.

6.2 VOLUNTEER SCREENING

Volunteer Screening. Screening is an on-going process designed to identify any person (volunteer or staff) who may harm children or vulnerable persons.

- a) Volunteer screening serves two main purposes:
 - To create and maintain a safe environment; and
 - To ensure inappropriate match between volunteer and task
- b) Why Screen? Any organization that provides programs to vulnerable people has an obligation to appropriately screen people who for them, including volunteers.
 - **Screening is not only the right thing to do; it is legally required under the principle of “Duty of Care.” – Hockey Canada Directive**
 - The Hockey Canada Board of Directors ratified the following recommendation in 2010: **Effective 2011-2012 all Minor Hockey Associations and leagues, under the direction of their Branches, are to have a documented screening process.** http://cdn.agilitycms.com/hockey-canada/Hockey-Programs/Safety/Speak-Out/Downloads/criminal_record_search_eng.pdf
- c) Determining the Risk. As a matter of policy, all volunteer positions will be examined in light of the relevant factors to determine the degree of risk involved. When there is a doubt as to the degree of risk, a position should be categorized as “high risk.” Volunteers and employees who are active in more than one capacity should be screened for the position with the highest level of risk. When a person moves from a position with a low level of risk to a position of high risk, appropriate screening will be carried out for the new high-risk position. More information is available within the position Risk Matrix.
- d) Job Descriptions. Clear and precise position descriptions have been developed for each position within the Association and mentioned in this document.
- e) Recruitment. When the KMHA post notices for volunteer positions, the advertisement indicates that screening is part of the application process. Advertising that there is a screening process in place demonstrates that our Association takes the personal safety of children entrusted in their care seriously and sends the message to undesirables that they need not bother to apply.
- f) Applications. KMHA utilizes application forms that include required contact information. If the volunteer position requires other screening measures (medical exam, driver’s record, police records check, coaching/training certification), the application form will ask for permission to do so.
- g) Interviews. It is recommended that when KMHA conducts interviews to provide an opportunity for the applicant to speak to their background, skills, interests, and availability, and also to explore any doubts about the suitability of the applicant. It is recommended that Interview Committees be made up of a minimum of 3 people selected by the President, and who do not have a “conflict of interest”.

- h) Checking References
 - Describe the position clearly to the person giving the reference
 - Ask about the applicants' skill and suitability for the tasks
 - Identify the level of trust that will be developed with children within the position
 - "Would you be comfortable with Sam" working alone with your child? Could you comment on "Sam" and how you think he would fit this job?
 - Do more than one reference check. Get permission from individuals to contact current or former employers.
- i) Police Record / Vulnerable Person Checks. Police Record Checks must be performed according to the level of risk determined by the assessment. The procedures for obtaining PRC's are determined by local policing agencies and can vary by region. It is recommended that PRC's be re-submitted for every applicable position (as determined by level of risk) every third year.
 - The KMHA recognizes the sensitivity of PRC results and determine procedures for confidentiality, including persons authorized to view results, determining eligibility to volunteer and the storage of the documents.
- j) Vulnerable Persons Checks. There are measures in place to ensure people convicted of sexually based offences do not work with the vulnerable sector.
 - If a pardon has been granted, the criminal history information about an individual convicted of a sexually based offence is retrievable by law enforcement only for the purposes of a Vulnerable Sector search.
 - Vulnerable Persons Checks (Updates)
 - New automatic query of flagged pardoned sex offender records based on the gender and date of birth of the applicant.
 - Fingerprints are now required to complete Vulnerable Sector Verification when the gender and date of birth of an applicant matches a pardoned sex offender record.
 - Ensures that individuals, who have obtained a legal name change, are properly screened for pardoned sex offender records.
 - Vulnerable Sector Verifications are treated as priority requests when fingerprints are submitted to the RCMP

6.3 RISK AND SAFETY CERTIFICATIONS AND QUALIFICATIONS

- a) Risk and Safety Certifications and Qualifications.
 - **Trainer Certification.** In accordance with HEO, all KMHA volunteers who wish to be a team trainer will undergo the Hockey Canada Trainer Certification Program (HTCP) in order to be rostered on a KMHA team as an official trainer.
 - The HTCP is a risk management and safety education program for the volunteer hockey trainer. The goal of the program is to have all Hockey Trainers implement effective risk management on their own teams, where safety is the priority at all times, both on and off the ice.
 - All Hockey trainers should use a proactive, preventative approach to safety while being prepared to react in the event of accidents, injuries, or medical emergencies

- The HTCP is designed to educate people in the prevention, recognition, and treatment of hockey related injuries.
 - The HTCP offers three levels of certification, which are designed to assist the individual trainer as his or her experience grows. Program content, administration and policies are established through the HDCO Trainers Committee and through consultation with Hockey Canada's National Trainers.
 - For Trainer certification requirements click on the following link:
<http://www.hockeystartontario.ca/pages/trainers/level1.htm>
- b) **Respect in Sport (RIS)/Speak Out- for Team Leaders (team officials).** The Respect in Sport Program is an education program for team officials to assist them in the prevention of harassment, abuse and bullying in hockey. The purpose of the program is to impact on attitudes, skills, and knowledge of the team officials that will result in a safe, sportsmanlike environment for all players and coaches. The Respect in Sport Clinic is mandatory for all individuals who are on the official team roster (Coach, assistant coaches, goalie coach, on ice helpers, trainers, team manager). The following process applies in order to obtain your RIS certification:
- There is no expiry for the Respect in Sport qualification. Once a clinic has been completed in full, recertification is not required.
 - The Respect in Sport must be taken on-line through the Respect in Sport program.
 - The on-line clinic can be accessed here: <http://www.hockeystartontario.ca/pages/safety/respectinsport.htm>
 - Respect in Sport for Team leaders is not the same on-line clinic as respect in sport for parents
 - Once you have successfully completed the clinic email your receipt to info@kmha.ca you will be reimbursed for the cost of the clinic (as long as you require the clinic and are on an official team roster as team staff).
 - If you have any questions on certifications, what is required etc., please email info@kmha.ca
 - Risk and Safety related questions? : Email: riskandsafety@KMHA.ca
- c) **Police Records Check (PRC).** This service is restricted to applicants seeking employment and/or volunteer work with vulnerable individuals. This includes national and local police databases. The possible existence of criminal convictions and outstanding charges, as well as incidents of all negative police contacts for at least the previous five years will be considered for release.
- d) **Vulnerable Persons or Individuals** refers to a class of persons who, because of their age, a disability or other circumstances, whether temporary or permanent are in a position of dependence on others or are otherwise at a greater risk than the general population of being harmed by persons in a position of authority or trust relative to them (for example: children, disabled or elderly)
- Questions / Comment: Email riskandsafety@kmha.ca

- All applicants require a volunteer letter from KMHA before applying for full info on Police checks and for Volunteer letter information click <https://kmha.ca/wp-content/uploads/2012/04/prc-info-sheet.1.pdf>
- All volunteers on an official team roster for KMHA will require a Police Check.
Note: KMHA will not reimburse fees charged for police checks.

e) Gender Identity Training

Hockey Eastern Ontario (HEO), along with Hockey Northwestern Ontario (HNO) and the Ontario Hockey Federation (OHF), requires a training program for team officials to support trans-inclusive hockey in Ontario, to better understand discrimination based on gender identity and provide gender expression training.

<http://www.hockeysteasternontario.ca/pages/safety/gender-identity-training.htm>

There are two courses – 1) Understanding Discrimination based on Gender Identity and Gender Expression and 2) A Guide to the Dressing Room Policy and Confidentiality Statement.

All coaches and trainers must take these two courses. HEO recommends that all team officials and administrators take this training given its significant benefit. For team officials already assigned to a team, completion of these modules will be required by October 1, 2017. For team officials named within a month of or after October 1, they will have 30 days to complete both modules.

Officials require a Hockey Canada eHockey account and can register through the eHockey portal. If you do not have an eHockey account, you can create one after clicking the Register for the Training link.

6.4 SAFETY POLICIES & GUIDELINES

- a) **Abuse and Harassment.** KMHA abides by HEO Abuse and Harassment bylaw. All instances of abuse or harassment should be reported immediately through Risk and Safety: riskandsafety@kmha.ca.
- b) **Bullying.** Bullying is a widespread and serious problem that can happen anywhere. It is not a phase child have to go through, it is not “just messing around”, and it is not something to grow out of. Bullying can cause serious and lasting harm.
 - Although definitions of bullying vary, most agree that bullying involves:
 - Imbalance of Power: people who bully use their power to control or harm and the people being bullied may have a hard time defending themselves.
 - Intent to Cause Harm: actions done by accident are not bullying; the person bullying has a goal to cause harm.
 - Repetition: incidents of bullying happen to the same the person over and over by the same person or group.
 - Types of Bullying
 - Bullying can take many forms. Examples include:

- Verbal: name-calling, teasing.
 - Social: spreading rumors', leaving people out on purpose, breaking up friendships.
 - Physical: hitting, punching, shoving.
 - Cyber bullying: using the Internet, mobile phones or other digital technologies to harm others.
- c) **Social Media.** KMHA abides by HEO's Social Media Policy. http://www.hockeyeasternontario.ca/pages/safety/social_media.htm
- d) **Locker Room.** KMHA Locker Room Guidelines
- Within the Locker Rooms and arenas, all KMHA members should:
 - Ensure that as team officials, KMHA members and as parents you establish strict rules against horseplay in the Locker room, that the Locker room floor is free from debris, and players are cautioned against walking around while wearing skates.
 - If you work with a team that includes both males and females, ensure that any separate Locker areas are safe and supervised.
 - Ensure that hallways leading to the playing area feature rubber padding or another non-slip surface for players to walk on.
 - Also ensure that this surface is free from debris, bumps or ruts and that proper lighting is in use.
 - Locker rooms should be kept to safe standards: well lit, appropriately heated, maintained and regularly cleaned. In most cases, this is the responsibility of the facility staff. However, the Locker room should be maintained with the following in mind:
 - The locker room should be cleaned and disinfected daily (including lockers and benches).
 - The floor should be damp mopped daily.
 - Carpeted areas should be vacuumed daily (antifungal carpets are recommended).
 - Know the location of all fire exits, first aid/treatment rooms and First Aid Kits within every arena facility.
 - Locker room monitoring - Coaches are responsible to ensure that only KMHA approved personnel are selected to monitor players at all times in their respective locker rooms.

2 Deep Rule - Designated supervising personnel must be members of the team staff or adults who have completed either "Speak Out" or "Respect in Sport" for volunteers, **Gender Identity Training** and have submitted proof of their Criminal Record Check/Vulnerable Sector Check to KMHA. Parents of all players should be made aware of the "Two Deep Rule" and avoid letting their children into unsupervised dressing rooms. § Parents, relatives and primary care-takers – meaning those parents, relatives, primary care-takers who have registered their child and are a member of KMHA are allowed in the locker room only with the approval of the Head Coach § Head Coach is ultimately responsible for the care and safety of their players upon arrival and until the departure of the facility.

- Female players & team staff. HEO Co-ed Policy:
<http://www.hockeyeasternontario.ca/docs/6.2%20Co%20Ed%20Dressing%20Room%20Policy.pdf>
 - If a team has a female player, they are to be provided with separate dressing room;
 - Only after the Head Coach has verified that that all players are dressed may a female player or staff enter the room.
 - If a team has a female player, the team staff should have a rostered female member.
 - Any concerns should be reported to facility staff and followed up in writing/e-mail to: riskandsafety@KMHA.ca
- e) **KMHA Paid Events.** All KMHA paid events must be alcohol free.
- f) **Injury**
- Injury reporting process:
 - Know KMHA Injury Reporting Procedures: <http://kmha.ca/risk-and-safety/injury-reporting-procedures/>
 - In any case where there is a serious injury, i.e. a player is unable to return to a game/practice vs. missing a shift or two and then returning (ex. just winded), the Hockey Canada Injury Report (HCIR) form must be filled out by the team trainer.
 - If you have, or suspect you have a concussion or serious incident, don't allow player to participate until AFTER you have received a professional medical evaluation.
 - Concussions. For more information on Concussion and RTP, http://www.hockeyeasternontario.ca/docs/HEO_Concussion_Return_to_Play_Policy.pdf
 - Return to Play (RTP) Policy. KMHA abides by the HEO RTP Policy: <http://www.hockeyeasternontario.ca/pages/safety/returntoplay.htm>
- g) **Mouth Guard Policy.** http://www.hockeyeasternontario.ca/docs/HEO_Mouth_Guard_Policy.pdf
- February 14, 2014 HEO mouth guard rule.
 - The HEO Minor has now replaced its mandatory mouth guard rule for all players in the Ottawa area. Where it previously stated that mouth guards were mandatory during all on ice activities, the word mandatory has now been replaced with recommended.
 - Mouth guards are no longer a required piece of equipment.
- h) **Helmet Policy.** All KMHA Coaches, players and on-ice volunteers, including Trainers are to wear helmets, properly fastened whenever they are on the ice surface.

- or Trainers Specifically; when a team has an injured player on the ice that requires the Trainer to go out onto the ice surface, the Trainer **MUST** have a helmet on their head that is fastened properly.
- Qualified First Aid persons/Trainers are to be present during all games and practices for KMHA events.
- Specifically, for practices, as long as the Trainer or a qualified First Aider is present around the ice surface (**WITH A HELMET**), and ready to go onto the ice, that will meet the requirement.
- A trainer or qualified first aider/medical practitioner are the only ones who should be moving/attending to an injured player on the ice surface.
- Wearing of Helmets is required, for safety reasons and to meet the City of Ottawa Contract for Ice Rental and Hockey Canada Insurance requirements.

6.5 INFORMATION PRIVACY PROTECTION

a) PIPEDA

- KMHA will respect the Personal Information Protection and Electronic Documents Act by ensuring that:
 - It obtains the clear consent of an individual before it collects uses or discloses personal information about individuals.
 - It uses the information for the purposes for which it has consent;
 - It protects the information from unauthorized access and use;
 - It keeps the information up-to-date and correct so as not to make decisions based on wrong information;
 - It destroys the information when it no longer needs it for the original purpose; and
 - It implements accountability mechanisms in its organizations to ensure compliance with the above.
- KMHA Directors will ensure that they receive appropriate training in privacy concepts and that there is some privacy expertise on their respective boards. KMHA Directors will ensure that at least one person has been designated to be accountable for the organization's privacy compliance, currently the Officer Manager and Risk and Safety Coordinator. As one of the persons assigned is a staff person, of this responsibility, the KMHA directors have ensured that privacy compliance is a part of their performance evaluation and compensation. KMHA Directors shall undertake periodic privacy self- assessments and privacy audits and to report to the board on these activities on a regular basis.
- Implementing PIPEDA Questionnaire
 - Each year the President will designate a member of the Executive to perform the PIPEDA Questionnaire to ensure that the KMHA has complied with the Act.

b) KMHA – Executive Implementation of Screening Package

- Implementation

- Following the Branch wide training given to KMHA Risk and Safety, the R&S Coordinator will make presentations via the KMHA website and KMHA meetings, so that KMHA executives can see the importance of screening and how we intend use the toolkit to complete our executive specific plans.
- Risk and Safety will have information available via the KMHA website for our membership to learn of the importance of screening and how we used the District Branch toolkit to complete our specific plans. This information will be passed to the membership via the annual AGM and at the welcoming orientation brief for each level of players given by the Competitive and House League conveners/Representatives.

7.0 KMHA DISCIPLINE AND APPEALS

7.1 D&A OVERVIEW

- a) **Conduct Management – Overview.** Kanata Minor Hockey (KMHA) is committed to providing a safe environment in which to play hockey. Whether at the competitive or recreational level, hockey is a sport that provides fun, exercise and an opportunity to grow as athletes and as members of the community. At times it can also be an emotional game for players, parents and coaches. KMHA is committed to ensuring that all members are treated with respect – whether player, parent, coach or member of the executive.

There are many rules that guide the behavior of those who participate in minor hockey. Rules apply to players, parents, coaches and other volunteers. When these rules are broken there must be a response. The response could be on the part of the coach, the association, the district, the branch etc.

Conduct Management holds the responsibility to ensure the KMHA Code of Conduct are adhered to and that sanctions levied against players, coaches, volunteers and parents are carried out appropriately.

While KMHA Conduct Management is responsible for the overall implementation of conduct management policies and procedures for KMHA, conduct management actually happens at various levels within the KMHA. Minor to moderate issues are typically dealt with at the team level or division level while others, due to their severity, must be escalated to KMHA Conduct Management for resolution.

Code of Conduct can be found here <http://kmha.ca/team-staff/code-of-conduct/>

b) **Conduct Management – Policy**

- Responsibility for Conduct Management within KMHA rests with the Coordinator of Risk, Safety & Conduct Management.
- The Coordinator may, upon decision of a Conduct Management Committee, impose sanctions on a KMHA member found to have violated the KMHA Code of Conduct.
- No KMHA member may refuse to cooperate with a Conduct Management investigation. Refusal to cooperate will result in the immediate suspension of the member.
- The Coordinator, Risk, and Safety & Conduct Management will chair KMHA Conduct Management hearings.
- In the event the Coordinator is unable to convene a hearing the Coordinator may designate the President or one of the Vice Presidents to chair the hearing.
- A Conduct Management Committee will be made up of at least 3 members in addition to the Coordinator.

7.2 INCIDENT MANAGEMENT AND REPORTING PROCEDURES

Incident management and reporting policy and procedures. The following is a guideline that takes you through the steps to file a concern or complaint.

- Starting from the parent level (depending where the origin of the concern/complaint is the starting point may vary) the concern/complaint must travel up the ladder in sequence. It should be noted if a convener has a concern it should be brought to the attention of the VP of hockey first and not directly to another association.
- Failure to follow the guidelines may delay a ruling on your complaint or concern. All levels will be notified if need for escalation is warranted. If a step is skipped the complaint/concern may be dismissed at the discretion of the VP of hockey.
- The ladder as follows:

	House League		Competitive teams
1	Team Parent rep (if applicable)	1	Team Parent rep (if applicable)
2	Team Manager	2	Team Manager
3	Head Coach	3	Head Coach
4	Convenor	4	Director of Competitive Programs
5	Director of House Programs	5	VP Hockey Programs
6	VP of Hockey Programs		

c) Conduct Management – Issue Resolution Process

- The Issue Resolution Process
- Any member of KMHA may raise an issue when they feel the KMHA Code of Conduct has been violated. If the issue is in regard to a player, parent, coach or other team volunteer then follow this process:
 - Step 1 – **Observe the 24-hour Rule**. The 24-Hour Rule is simply explained as when problems arise it is a benefit for all concerned to wait for a day before you report an issue so as to not let the emotion of a situation to get in the way of the facts. The only time this rule may be bypassed is due to behavior that poses' safety risk.
 - Step 2 – Try to deal with the issue at the level where it occurred. Speak to your team coach or manager regarding the issue to see if it can be resolved at that level. If the issue cannot be resolved the coach/manager or the parent can escalate the issue.
 - Step 3 – Issue escalates to either the House League Director or the Competitive Director depending on the program where the issue was raised. The Director will attempt to bring resolution to the issue. If the complainant is not satisfied with the outcome, then the issue will be escalated to KMHA Conduct Management.
 - Step 4 – The complaint must be made in writing using the “Issue Resolution Form”. https://kmha.ca/wp-content/uploads/2011/05/issue_resolution_form.2.pdf Completed forms should be sent to the Coordinator, Risk Safety & Conduct Management. The Coordinator will then contact the complainant for any necessary clarification and will determine if this issue requires a hearing. If he

determines that an official hearing is necessary then a date and time for the hearing will be set, a committee consisting at least 3 members in addition to the Coordinator.

- If the issue is in regard to any executive member including conveners then start the process at Step 4, except in the case that the issue involves the KMHA Risk Safety & Conduct Management Coordinator in which case it needs to be reported directly to the President.
 - The Coordinator, Risk Safety and Conduct Management are responsible to investigate all issues brought to him. Not every issue that is investigated will end with a disciplinary action, some cases will be found to be without merit, others may be resolved via mediation. The Coordinator is required to wait for a complaint to be made to call a player, parent, coach or volunteer in to speak to them.
- d) **Suspension Reporting.** Teams (both house and competitive) are required to enter all suspend able infractions (Misconducts, Game Misconducts, Gross Misconducts and Match Penalties) against players and team officials into the Suspension Reporting database. The Suspension Reporting database will determine the minimum suspensions (if any) and notify all applicable discipline representatives. The District 11 Chairperson will confirm the final suspension details within 24 hours of your report via return e-mail.

Online suspension and affiliation reporting

<https://ttmwebservices.ca/?AID=district11>

- Teams can use this SECTION of the website to:
 - Coach and team manager will be emailed a temporary password at the start of every season
 - Change password for team account;
 - Login to team account;
 - Enter suspend able infractions;
 - Produce reports on suspended players and team officials;
 - Enter game served information for all suspensions;
 - Review minimum suspensions for all infractions based on the HEO Code of Discipline;
 - Send compliments or concerns to District 11Referee-in-Chief
- Discipline representatives can use this SECTION of the website to:
 - Request password for their account;
 - Change password for their account;
 - Login to their account;
 - Produce reports on suspended players and team officials;
 - Review minimum suspensions for all infractions based on the HEO Code of Discipline.
 - Make sure to report all “games served” at the end of year suspension.

7.3 HEARINGS AND APPEALS

- a) **What happens at a hearing?** If the hearing is based on a member complaint both the complainant and the person(s) against whom the complaint has been made will get the opportunity to share their version of events along with others who have pertinent information regarding the event.

The committee may ask questions regarding the incident. The committee will then render a decision based on the information they have been presented. Both parties to the complaint will be informed of the decision of the committee. This process is essentially the same regardless of the level of hearing being attended.

- b) **District 11 Appeals.** Any disciplinary action handed down by the KMHA Conduct Management Committee may be appealed to the District 11 Chairperson. The cost for this appeal is \$200. An appeal to this level must be made in writing within 72 hours of the decision being rendered by the KMHA Conduct Management Committee.

c) **HEO Minor (District 11) Discipline and Appeals**

- KMHA members may become involved with HEO D&A in two ways:
 - Appeal of a decision from District 11 – The cost for this is \$250 and must be requested in writing within 72 hours of the decision being rendered by District 11.
 - Via a penalty assessed to the player/team official that requires a hearing with the HEO D&A committee before the player/official may return to playing/coaching. When a call has been made that requires a hearing the person against whom the call was made will be informed by the District 11 Chairperson that they are suspended pending a hearing with the HEO. They will then be contacted again with the hearing details. In the case of a player suspension, the parents will be contacted.
- d) **HEO and Hockey Canada D&A.** Appeals may also be made to these levels only after lower level appeals have been heard.

For more information please contact:

- District Chair at district@KMHA.ca
- Risk and Safety riskandsafety@KMHA.ca

8.0 KMHA ADMINISTRATION

8.1 KMHA ADMINISTRATION

- a) **Insurance.** All players and team officials are covered under the hockey Canada insurance for games and practices. For other events such as dry land, and fundraising events etc., you will require a **Special Event Permit**. Please see here <http://KMHA.ca/team-staff/documents-and-forms/> under the Special Event Permit instructions and application for all details.
- b) **Travel Policy.** All permits should be emailed to the KMHA office 1-2 weeks prior to any tournament. The permits will be signed and returned to you via email.

KMHA teams will only be approved to participate in USA hockey and Hockey Canada **sanctioned tournaments**.

- **Travel Permits.** Teams are reminded that if you are attending a tournament outside of the HEO Minor area you will need a travel permit. If the tournament is in Canada you will need to fill in a Canadian travel permit, if you are travel to a US tournament you will need to complete a Canadian travel permit plus a USA travel permit. You can find the templates for these on our website here (<http://KMHA.ca/team-staff/documents-and-forms/>) look for the travel permit SECTION.
 - **Canadian Travel Permit.** All information on the players including; full names, date of birth, full address, jersey number and hockey id's must be filled in- you can find the hockey ids on the official team roster that the coach will receive from the registrar. The team officials, coach, assistant coach(s), trainer(s) and team manager will also need to be put on the travel permit under the title of team management roster information. We will not sign any permit unless it is completed in full.
 - Once you have completed, please send via email the completed permit to info@KMHA.ca
 - We ask that these be sent to us 1-2 weeks before any tournament, please do not request permits signed more than 4 weeks prior to any tournament, as there could be changes to your roster (injured players, sick players, suspended players).
 - **US Travel Permit.** If you travel to the US you will need to complete a Canadian travel permit and a US travel permit. They are located in the same place on our website as the Canadian travel permit. All fields on the forms must be completed. (Our Association number is District 11)
- c) **Tournament Policy Registration**
- No KMHA house league team is to enter any tournament during scheduled playoff series in any year. Teams who ignore this policy and end up with a conflict of a playoff game or allotted practice ice. That team will be solely responsible for all costs incurred for the ice times and any ice that needs to be purchased to reschedule the game that was cancelled.

d) Credentials Policy

- All team officials must complete and provide the registrar in charge of rosters with proof of all required courses (clinics) and an electronic copy of their completed police check by November 30th of any given hockey season to be added to a team roster. After November 30th if requirements have not been completed, said individual will not be added to the roster (or removed from the pending roster).

e) Official Lists/Team Rosters

- Roster Template
 - Coaches are to complete the template that the registrar has emailed to them. All team official (staff) must to be listed on the template The MANAGER must be listed, as they are an important part of your team as well, they will be required to have Respect in Sport a Vulnerable Police Check and Gender Identity Training
- Competitive Program. The process with Competitive team rosters is as follows:
 - A roster template for all will be send to all coaches and managers at the start of the season, along with an information email. It should be filled out and returned to the registrar as soon as possible. The registrar will then put together a roster (or pending roster) and send it back to you, along with an explanation on requirements that need to be completed.
 - Rosters are done based on tournaments that are upcoming first, if there's a RUSH required, then email the reason to the registrar and we will attempt to complete it within a shorter period of time.
- House Program. The process with House League (U7-U18) for team roster is as follows:
 - A roster template for all will be send to all coaches and managers at the start of the season, along with an information email. It should be filled out and returned to the registrar as soon as possible. The registrar will then put together a roster (or pending roster) and send it back to you, along with an explanation on requirements that need to be completed.
 - House League rosters do not require jersey numbers.
- As a reminder we have **November 30th** as the deadline for bench staff to complete their staff requirements.

- f) **Boundaries.** The following map represents the District 11 Boundaries set out by HEO Minor. <http://maps.odmha.on.ca/aba/region/17>
