

The Ottawa Senators AAA have been in negotiations with Districts 10 and 11, with a view to facilitating the creation of a Major Pee wee AAA team representing those Districts for 2012-2013.

Should the Senators not offer the team, Nepean and Kanata will create a special Association to offer a Major Pee wee AAA for just the 2012-2013 season.

With the AAA president away from Ottawa until next week, we cannot conclude an agreement before June 8 and, therefore, we will not have a firm decision on who will offer the team until that date.
